

ODB Actueel 19-09-2018: BENELUX Customs-Private sector meeting

Dear all,

Following the absence of input from the private sector, we kindly inform you that the Benelux Secretariat will not organize a Benelux customs and private sector meeting initially planned on 10th October 2018.

If in a near future cross-border issues rise from the private sector, don't hesitate to contact me.

Best regards / Met vriendelijke groeten / Cordialement
